

2016 Studio 1 Information

Studio will be an “Acting 101” workshop. We will use exercises and improvisation to work on basic acting concepts and then apply them to monologues and scenes which the instructor will select for you. We will also let you know how things work here in terms of volunteering, casting and anything else we can think of.

The two week class is open to the public, regardless of acting experience. Studio costs \$40 which can be applied to the seven-play subscription that is required in order to be eligible for casting.
