Music and Movement: Broadway Showstoppers (2nd-5th)

Teacher: Sarah Beglen

We'll use music to inspire and motivate us to movement. Learn different aspects of rhythm through listening, playing, clapping, and moving to music. We'll also use music to help us create different emotions and characters. Learn how music can create a mood, environment, or idea to help you express yourself. Let's MOVE and create together. We will use some favorite Broadway tunes and characters and the basis for our class. Let's shine together like a Broadway star!

Acting/Scene Student: Scared Silly (3rd-6th) **SOLD OUT!**

Teacher: Laura Thoresen

~~Since our class will conclude in October, we thought we'd get into the spirit of Halloween. A little scary and a LOT silly, we will work on short scenes and develop our acting and our characters. Scripts will be selected based on the class to challenge and develop each actor. Some of these silly stories include what detention looks like in supernatural school, the non-costumed trick-or-treater who wants candy, and the only thing that actually scares a ghost. A great mix of practice, coaching, working together, and hilarious fun!~~

Musical Theatre: It's Good to be Bad (3rd-6th) **SOLD OUT!**

Teacher: Laura Thoresen

~~Let's explore villains! Sometimes it's good (and FUN!) to be bad. Whether it's characters from Descendants, or classic villains like the Wicked Witch, Jafar, Maleficent, Audrey II, Scar, or others, we'll delve into these complex and interesting characters. We'll move to some music, creating staged movement, while also working some motivation and using scripts. Whether you're looking to explore your acting and movement chops, or just want to let out your evil side, this class is for you!~~

Advanced Acting (4th-8th) **SOLD OUT!**

Teacher: Billy Cooper

~~If you want to stretch yourself, this is the class for you. We'll be making sure that you're "actor's toolbelt" is full of different approaches, tips, methods, and confidence. Every student will get a lot of individual coaching on connecting with their character and their scene partners. Students will have the opportunity to work on scenes and/or monologues to deepen their character and abilities.~~

Theatre Games (3rd-8th) Teacher: Eddie Sugarman

Theatre games in the great outdoors! Through a variety of high-energy, interactive games, we will have a blast as we work on relational skills, creativity, and active listening. From a safe distance, we will get crazy creative and discover new techniques for characterization and getting your character's objective.
