We are in the control room of Santa's Elves on Christmas Eve—our view is exactly what Santa sees on his sleigh monitors. Santa is about to take off, and we are getting an inside look at how that happens from the view of the elves control room monitors. Papa Elf is retiring next year after 108 years in charge. Spark is in the lead this year, and if all goes well, they will be the next Elf in Chief. But a disaster awaits that just might cancel Christmas...

Performed LIVE via Zoom the Weekend of Dec 18-20 (exact performance schedule TBD)

For superheroes, saving the world is tough, but the time spent away from work is tougher. The Hulk has to do taxes, a crime-fighting sidekick joins a support group, and batman goes stir-crazy without enough criminals to take down. SUPERHEROES is a funny, fast-paced series of vignettes that explores how the caped crusaders deal with life in street clothes.
